Dear Parents/Guardians,

VIA (Values In Action) Programme - Sale of Handicraft Items for Mother's Day

Since 2005, Chongfu School has started a befriending programme with the Lions Befriender Service Association (LBSA) as part of our Values In Action (VIA) programme. This voluntary welfare organisation was set up by the Lions Clubs of Singapore in 1995 with the aim of reaching out to the lonely elderly. With the belief that every elderly is a valued member of society, the school in partnership with the organisation aims to improve the well-being of the elderly through community involvement.

This year, in celebration of Mother's Day, the seniors and volunteers from the LBSA have handmade some handicraft items for sale. By allowing them to sell these items in our school, we hope to participate in this fund raising and, at the same time, use this opportunity to inculcate in our students the value of showing appreciation to their family in small but thoughtful gestures.

All proceeds of the sale will go towards enhancing the programmes at the centre for the elderly.

Date : 9 May (Tuesday)

Time : 9.45 am to 11.15 am

Venue : Canteen

Please refer to next page for the sample pictures of the items to be sold.
