Dear Parent/ Guardian,

Additional Precautionary Measures and Updates for Primary Schools

Submission of Antigen Rapid Test (ART) results

In view of the recent rise in COVID-19 community cases, the Ministry of Education (MOE) will be implementing additional precautionary measures in the lead up to Primary 3 to Primary 5 students returning to school after Home-based Learning (HBL) on 11 October 2021, Monday. This will better protect our younger students who are not yet medically eligible for vaccination.

To ensure the safe return of students to school, all students are to do an Antigen Rapid Test (ART) swab test at home on **8 or 9 October 2021**. This will allow for sufficient time to take a confirmatory Polymerase Chain Reaction (PCR) swab test if necessary (i.e. if tested positive for ART swab or when obtaining two consecutive invalid ART results).

Kindly indicate if your child has done the ART swab test via Parents' Gateway and submit your response via FormSG by **9 October 2021, Saturday**. Do feel free to contact your child/ward's Form Teacher if you have any queries.

We urge all students to continue practising good personal hygiene, adhere to Safe Management Measures (SMMs), and exercise social responsibility.

Examination Matters

1. P4 and P5 End-of-Year Oral Examination

Please note that there will be no End-Of-Year Oral Examinations for our P4 and P5 students this year. Our English Language (EL) and Mother Tongue Language (MTL) teachers will continue to ensure that effective teaching is carried out in order to attain the learning outcomes in oral communication.

2. P3 to P5 End-of-Year Examination 2021

To allow more time for curriculum recovery due to disruptions brought about by COVID-19, **the year-end examinations for Primary 3 and 4 students will be cancelled**. Schools will draw on information from a range of school-based assessments that were conducted throughout the year to report students' learning progress and provide feedback, as well as make recommendations on students' subject combination where necessary.

The **year-end examinations for Primary 5 students will still proceed** under strict SMMs as it will allow students and parents to obtain a better understanding of students' learning progress in relation to the Achievement Level (AL) scoring system, prior to taking the PSLE next year. Please note that there will be **no Oral Examination**. Our English Language (EL) and Mother Tongue Language (MTL) teachers will continue to ensure that effective teaching is carried out in order to attain the learning outcomes in oral communication.
