Through the Principal

Dear Parents/Guardians,

**Character and Citizenship Education-Values in Action (VIA)**

***Food Donation Drive for Disadvantaged Families***

As part of our mission to develop students into gracious individuals, the school has created varying experiences for our students to reach out and help the less fortunate in our society. One of which is the annual *Food Donation Drive for Disadvantaged Families* which we want to involve all students.

Food From The Heart (FFTH) was founded by Christine Laimer in November 2002 and has been instrumental in distributing unsold bread from local bakeries to other charities and welfare homes around Singapore. The movement has since expanded to include delivering non-perishable food items such as canned food and instant noodles.

Our school has adopted FFTH as one of our community partners since 2006, we have been carrying out this drive annually as an act of service and contribution to society. Through this experience, we hope to inculcate empathy in our students and teach them to be thankful and appreciative of what they have.

This year, the donation exercise will be from **17 January (Monday) to 28 January (Friday) 2022**. We urge parents to help their child/ward participate in this experience by donating **non-perishable food items**. It would also be good to leverage on this opportunity to discuss with your child/ward about giving back to society as part of Character Education.

The 'Wish List' of non-perishable food items is printed on the next page for your reference. Please assist your child/ward to check the expiry dates of the donated food items before handing them to your child's/ward's form teacher for collection.

Please note that **donation is on a voluntary basis**.

If there are any queries, please do not hesitate to contact the undersigned at 6758 5527 or via e-mail at [jacqueline\\_minjoot@moe.edu.sg](mailto:jacqueline_minjoot@moe.edu.sg).

Thank you

Yours sincerely,

Miss Jacqueline Minjoot

HOD/Character & Citizenship Education
