Dear Parents/Guardians

### Gifted Education Programme Identification Exercise 2022

The tentative schedule for the Gifted Education Programme (GEP) Identification Exercise in 2022 is as shown below:

| Stage                  | Date  | Participants   | Papers   |
|------------------------|---|--|--|
| GEP Screening Exercise | 17 August 2022<br>(Wednesday)                 | Primary 3 students enrolled in government and government-aided schools | English Language<br>Mathematics                    |
| GEP Selection Exercise | 18 & 19 October 2022<br>(Tuesday & Wednesday) | Primary 3 students shortlisted after the GEP Screening Exercise        | English Language<br>Mathematics<br>General Ability |

The GEP Identification Exercise aims to identify suitable students with high intellectual potential who will benefit from the enriched curriculum provided in the programme. Test preparation activities might inflate students' scores and not reflect their actual potential. Students who are not ready to handle the intellectual rigour and demands of the programme will struggle. Students develop at different rates and we should allow them to blossom at their own pace. Thus, we urge you not to enroll your child in test preparation activities for the identification exercise. This will put undue stress on them, and may even cause them to lose confidence and impact their self-esteem.

Thank you.

Yours sincerely,

Mdm Ong Shu Ying  
Year Head/Lower Primary
