Dear Parents/Guardian,

Registration for the Raffles Science Olympiad 2022 (RSO)

- Your child/ward has been selected to participate in the Raffles Science Olympiad (RSO) organised by Raffles Institution. The objectives of the RSO are:
 - to provide an opportunity for bright young students to demonstrate their knowledge and understanding of Science;
 - to engender in them a sense of wonder towards Science; and
 - to foster positive values, skills and attitudes in Science, such as creative and critical thinking, integrity and objectivity.
- There will be only one round of competition which will be held online. To familiarise students with the online assessment system, a trial run will be conducted. Details of the sessions are as follows:
