Dear Parents/Guardian

Registration for the Singapore Primary Science Olympiad 2022 (SPSO)

1. The Singapore Primary Science Olympiad (SPSO) is an annual national competition which has been organized by the NUS High School of Mathematics and Science since 2009. The objective of SPSO is to promote active interest in Science among our primary school students. This competition provides an avenue for showcasing the abilities of our nation's young scientific minds and seeks to nurture young Science talents. It also serves as the first round of selection for the National Science Team that represents Singapore in the International Mathematics and Science Olympiad (IMSO).
2. Considering the current COVID-19 situation and safe management measures, SPSO 2022 will consist of only the Theory Round.

Details of the competition are as follows:

Name of Competition	: Singapore Primary Science Olympiad 2022 (SPSO)
