27 June 2022

Dear Parent/Guardian,

We believe that our students had a good mid-year break and are looking forward to the new semester. As Singapore continues to transit further to living with Covid-19, our school has progressively implemented more learning journeys and co-curricular programmes to develop students holistically. The P3 and P4 Camp iNspire programmes and the Dragon Boat activity for the P6 students are recent outdoor activities conducted during the mid-year break. Our students can look forward to more varied activities this semester and we seek your continuous support in the programmes we organize.

We would like to welcome the following new staff:

- a. Mr Ghazali Bin Abdul Wahab, Physical Education Teacher
- b. Miss M Monesha Nair, Physical Education Teacher

c. Safety & Administration

Temperature-Taking Exercise

As part of MOE measures to maintain schools' preparedness to re-activate the temperature-taking regime, the school will be conducting a temperature-taking exercise on Wednesday, **29 June 2022**. This exercise serves to ensure that all our students are familiar with the use of Oral Digital Thermometers (ODTs) and educate them on the need to take personal and social responsibilities for their own health, as well as for the health of others. We seek your assistance in ensuring that your child/ward brings his/her personal ODT to school on Wednesday, 29 June 2022.

Safe Management Measures (SMM)

Our school will continue to ensure that relevant safe management measures are put in place to keep our students safe in tandem with the national posture. Do work with us to remind your child to practise good personal hygiene, exercise social responsibility and abide by SMMs, at all times.

With the easing of the safe management measures, please be informed that we will not implement staggered dismissal anymore.
