Dear Parent/Guardian,

### Gifted Education Programme Identification Exercise 2023

This letter seeks to inform all parents/guardians of the tentative schedule for the Gifted Education Programme (GEP) Identification Exercise in 2023, as shown below:

Stage	Date	Participants	Papers
GEP Screening Exercise	17 August 2023 (Thursday)	Primary 3 students enrolled in government and government-aided schools	English Language Mathematics
GEP Selection Exercise	17 & 18 October 2023 (Tuesday & Wednesday)	Primary 3 students shortlisted after the GEP Screening Exercise	English Language Mathematics General Ability

The GEP Identification Exercise aims to identify suitable students with high intellectual potential. Test preparation activities could inflate students' scores and not reflect their actual potential. Students who are not ready to handle the intellectual rigour and demands of the programme will struggle with the enriched curriculum and not benefit fully from it. This would put undue stress on the students and may even cause them to lose confidence and impact their self-esteem.

For clarification, please contact me at lau\_kui\_fang\_audrey@moe.edu.sg.

Thank you.

Yours sincerely,

Ms Audrey Lau

Assistant Year Head/Primary 3
