Through The Principal

Dear Parents / Guardians,

Attendance at the 2023 SYSF Award Ceremony on 28 July 2023

1. We are pleased to share that your child/ward has done well for the **Singapore Youth Science Fair (SYSF)** for his/her group project shown below.

	Project title	Category of award
	Study on how the size of food scraps affect their rate of decomposition to form compost.	Distinction
✓	Study on how the type of food scraps used to form compost affects their effectiveness to support plant growth.	Accomplished

2. We are currently working with them to prepare a poster for display at Science Centre Singapore for a final judging. We seek your support to allow your child/ward to work on this collaboratively with their groupmates at home online on Google Slides. I have guided them on this, and they should be splitting up the work.
3. For your information, the posters are open to public viewing from **26 to 28 July 2023, 10am to 5pm**, at the Singapore Science Centre Annexe Halls 1-3. Admission fee may apply.

4. The students have also been invited to the **SYSF Award Ceremony 2023** to receive their award(s). The details are as follows:
